

**JOB POSTING 2 POSITIONS
VILLAGE OF POPLAR NOW HIRING
VILLAGE MAINTENANCE &
WASTE WATER OPERATOR ASSISTANT / GENERAL MAINTENANCE**

An Equal Opportunity Employer

VILLAGE MAINTENANCE: FULL TIME 30-40 HOURS PER WEEK. COMPETITIVE WAGES BASED ON SKILL AND EXPERIENCE.

Job Duties: Perform all maintenance tasks assigned by the supervisor. These may include plowing and hauling snow from roadways; sanding and salting slippery roadways; constructing, grading, and patching roadways; maintaining ditches and natural water courses; loading, hauling, and stockpiling sand, gravel, brush; help flush and clean manholes.

Must be able to operate equipment such as dump truck, backhoes, graders, loaders; work independently as well as part of a team.

WASTEWATER OPERATIONS: UP TO 30 HOURS PER WEEK. COMPETITIVE WAGES BASED ON SKILL AND EXPERIENCE.

Job Duties: Perform the monitoring, maintenance and operations of the wastewater collection and treatment system. This would include monitoring the lift stations, manholes, laterals, and treatment ponds and performing maintenance tasks as needed. Collect all required samples at the treatment facility and other locations and assure their transport to lab for analysis. Perform all necessary online and written reporting. Reports to the Operator in Charge (OIC) and the Sewer Commission.

Plus mowing, light equipment operations, building and grounds upkeep, etc.
