Household hazardous waste will be accepted at the above locations & only at designated times. Items including: oil-based paints, solvents, pesticides, hazardous cleaners, rechargeable ni-cad, metal halide and button batteries, corrosives, flammables, mercury, lead tackle and shot, old gas, and antifreeze among others.

Some 2018 events will include medications collections. Call your County Coordinator for more info.

Residents are welcome to utilize ANY of the above collections not just the one offered in your particular county. As long as you are a property owner in one of the 10-counties in the NWRPC service region above you are eligible to use any of the collection events.
