

Village of Poplar Sewer Commission

BID REQUEST

Request for bids to be taken to excavate approximately 160 feet of 8" sewer main to reset to grade and to remove a sag in the gravity main and allow for the section of sewer main to empty properly and allow for sewer gasses to pass unobstructed. The depth of the manholes involved is approximately 18.5' on one and 21' on the other. Little or no excavation required in the paved roadway

Questions may be directed to Randy Jones ranjo@centurytel.net or at 715-364-2742 for my land line and leave a message. Please do not call during the week of July 10 through July 16th.

Deadline for bid responses is August 1st, 2022.

Randy Jones

Sewer Commission Chair
